

Hello all, I'm Ryan Smith and this will be my 3rd year teaching at Arborland Montessori Junior High. I started at Arborland in 2023 after moving to the United States and becoming a resident. I believe that Junior High school is one of the most important moments in one's educational journey. It is a transitory period where students are discovering who they are, and what their relationship with education will be. I am thrilled to be a part of a program that fosters all forms of learning and helps students grow both academically and personally.
