

My name is Ms. Tanya Orozco, and I'm so excited to be your child's teacher! I have been a Primary Montessori teacher for over 6 years and continue to be inspired by the growth, independence, and joy that comes from Montessori learning. When I started my journey in teaching, my first position was in afterschool childcare at Arborland. I enjoyed my experience so much that I made the difficult decision to leave to go back to school to pursue my Primary Montessori teaching credential. Now, after years of studying and teaching, I'm so grateful to return to this special place-equipped with my credential and eager to give back to the community that inspired me. It truly feels like coming home.
