

The background is a light green surface covered with a dense, colorful collage of various school-related items. These include books of different sizes and colors (yellow, orange, blue), pencils, pens, paper airplanes, leaves, and other educational icons. The items are scattered across the entire page, creating a vibrant and thematic backdrop for the text.

Hello, my name is Mrs. Gina Mikhdaeil! I am excited to be your child's teacher in Room 6! I earned my Bachelor's degree in Child and Adolescent Development with a concentration in Elementary School Settings from California State University, Fullerton (CSUF). I have been working with children for over 7 years in various roles and settings. Children have always held a special place in my heart, and I am genuinely passionate about supporting their growth and development. I look forward to spending this year teaching your child and being part of a support system with you!
