

Greetings! Welcome to Room 10! I'm Kelly Snider. I'll be your child's Montessori teacher. I completed my Montessori training and received my Association Montessori International (AMI) teaching credential in 1988. I came to Arborland in 1995, and was Dr. Chen's Assistant Principal until 2015. At that time, I returned to working in the classroom so I could devote all my time to the children. I'm looking forward to an exciting school year.
