

A light green background with a collage of various school-related items including books, pencils, paper airplanes, and leaves in muted colors like yellow, blue, and brown.

Welcome to the 2025-2026 school year! My name is Ms. Park, and I am honored to return as the lead teacher in Room 206. I am excited to work with your children during this important stage of their development, and look forward to a year full of growth, exploration, and meaningful learning together.

My journey with Arborland began in 2021 when I had the privilege of assistant teaching in Room 206. Since then, I've worked in multiple classrooms across different age levels. After earning my teaching credential from California State University, Fullerton, I returned to Arborland as the lead teacher in Room 206 for the 2024-2025 school year.
