Elementary Finale

"I Can Make the Difference"

I'm the one who can make the difference
Yes, I will make the difference
Against all odds.
I can live to share my love with others.

Yes, I will make the difference,
I can make it take my hand
As we make the journey
Across the land.

I'm the one who can make the difference
Yes, I will make a difference
Against all odds.
I can live to share my love with others.

Yes, I will make the difference,
I will make it take my hand
As we make the journey
Across the land.

I had the courage to keep goin on.
I had the faith when all hope was gone.

I had strength to keep holding on.
I can make the difference,
I can make the difference,
I can make the difference,

Yes I can!

All School Finale

"We're All In This Together"

Alright, alright, here we go

(Chant)

Together, together, together everyone

Together, together, come on, let's have some fun

Together, we're there for each other every time

Together, together, come on, let's do this right

Here and now, it's time for celebration

I finally figured out, (yeah, yeah)

That all our dreams, have no limitations

That's what it's all about

Everyone is special in their own way

We make each other strong

We're not the same

We're different in a good way

Together's where we belong

(Chorus 1)

We're all in this together

Once we know, that we are

We're all stars, and we see that

We're all in this together

And it shows when we stand

Hand in hand, make our dreams come

(Chorus 2)

We're all in this together

When we reach we can fly

Know inside we can make it

We're all in this together

Once we see, there's a chance

That we have, and we take it

(Cheer)

ARBORLAND sing along

Yeah, you really got it going on

ARBORLAND in the house

Everybody say it now

ARBORLAND everywhere

Wave your hands up in the air

That's the way we do it

Let's get to it time to show the world

(Instrumental)

(Chorus 1)

(Chorus 2)

ARBORLAND everywhere

Wave your hands up in the air

That's the way we do it

Let's get to it, come on everyone!

(Repeat from beginning)
