

# WELCOME TO ROOM 3

*mrs currey and mrs jardon*

Hello, my name is Suzanne Currey. I have been teaching at Arborland for 23 years. I love working with children because they teach me something new everyday. I have my AMS credential and am currently the childcare supervisor. My husband Darryl and I have two children, who are Arborland alumni and doing well in college. I am gluten free, love Zumba, art, and making materials for the classroom. I am excited to see the children's progress this year!

Hi , My name is Zoralla Jardon. I am married and have a five year old son named Leo. I have been working with children for 27 years and I have been with Arborland for 20 years. Some of my hobbies are going to the gym, traveling, and I enjoy watching old movies and being with my family. My favorite colors are black and teal. A few words to describe myself would be dependable, honest, trustworthy and very hard working. I can't wait to welcome your children to our wonderful classroom in the fall.

If you have any questions or concerns, please reach out to me. Any paperwork your child does will be placed in the red folders by door 4. Many materials do not require paperwork. The children naturally create more paperwork as they mature. I update Transparent Classroom often with lessons given and photos.

## Items Needed

Each child should bring:

- 2 shirts
- 2 bottoms
- 2 underwear
- 2 socks

Items should be labeled in a ziplock bag and placed in your child's cubby.

- If your child is under 4 years old, please provide them with a crib sized sheet and blanket for nap time. They may bring a stuffed friend to sleep with.
- Please have your child bring a reusable water bottle. We have a Brita filter and will refill water bottles during the day.
- Any optional program items can be hung on the wall hooks opposite of the cubbies.

## Helpful Information

- Bring your child on time between 8:30-9 am to avoid distractions after 9 am.
- Label everything. Many times children have the same items.
- Home lunches should be placed in your child's cubby. If your child needs to bring a backpack please leave it outside Door 4.
- Snack is provided by the school during morning work time.
- Nap items will be sent home to wash on Fridays. Please return them on Monday.
- Share time is on Fridays in the afternoon. Encourage your child to practice what they'd like to talk about when sharing.
- Birthdays are important to us and we would love to teach the children about the passage of time. Please take the time to fill out the birthday timeline to help us celebrate your child's life. Instead of goodie bags, consider donating a book or plant to the classroom. They may share a snack with the class.
