

Hello, my name is Ashley Simms, and I have had the privilege of teaching at Arborland Montessori for the past 20 years. I began my journey in the Upper Elementary program, and over time, my passion for working with upper elementary and adolescent students has only grown deeper. It has been an honor to be part of the founding of our junior high program, and I am incredibly proud of what we have built together. I am also excited about the continued opportunities our program offers to support and inspire our students.
