# “Heal the World”

By Michael Jackson

There's a place in your heart	There are people dying
And I know that it is love	If you care enough for the living
And this place it was brighter than tomorrow	Make a better place for you and for me
And if you really try	
You'll find there's no need to cry	There are people dying
In this place you'll feel there's no hurt or sorrow	If you care enough for the living
	Make a better place for you and for me
There are ways to get there	You and for me (for a better place)
If you care enough for the living	You and for me (make a better place)
Make a little space	You and for me (make a better place)
Make a better place	
Heal the world	
Make it a better place	
For you and for me, and the entire human race	
There are people dying	
If you care enough for the living	
Make a better place for you and for me	
Heal the world (heal the world)	
Make it a better place	
For you and for me, and the entire human race
