

The background of the slide is a light teal color with a collage of various school-related items. These include colorful paper airplanes, pencils, erasers, and pieces of paper with different shapes and colors (yellow, blue, green). The items are scattered across the slide, creating a playful and educational atmosphere.

I'm Ms. Madeline and I'm so thrilled to be your child's Upper Elementary teacher! It is a joy to lead Room G and I couldn't be happier to begin a new school year alongside everyone. Arborland has been a part of my life for a long time. I started here as a 3-year-old student and went on to graduate in 6th grade. Even after I moved on, I always found myself drawn back to Arborland. Over the years, I've worked as a child care teacher, led Lower and Upper Elementary summer sessions, and served as an assistant teacher for Upper Elementary Room 206. All of these experiences inspired me to pursue and complete my Multiple Subject teaching credential from California State University, Fullerton.
