2023 Summer Swimming Program

- We offer Group (4 students per class), Semi-Private (2 students per class), and Private swim lessons.
- All classes are 30 minutes per lesson.
- Based on your child's swimming level, our teachers concentrate on teaching your child water safety, how to hold your breath under water, learn different strokes, tread water and much more.
- Each child progresses at his/her own rate, and our teachers will assess their abilities to determine if he/she needs to be moved up or down to the best-suited level. You will be notified of the teacher's recommendations.
- Your child is required to be dressed appropriately before they enter the pool: swimming suit, goggles, and a swim cap or hair-tie for longer hair. Students must bring their own towels. Swim diapers are required for swimmers who are not potty trained. Pool bathrooms can be used for changing after class.
- **You must find your own partner for semi-private swim. If one student drops, the other student is responsible for the private lesson price unless you can find another student to take their place.**

Space is limited and can be reserved by submitting an application with advanced payment.
