

The background features a light green field with a collage of various educational icons. These include books, pencils, paper airplanes, a magnifying glass, a lightbulb, a graduation cap, a microscope, a globe, a leaf, a pencil sharpener, and a small robot. The icons are scattered across the entire background, creating a vibrant and academic atmosphere.

My name is Ms. Norilen, and I have had the privilege of working as an Infant Montessori teacher for 14 years. My passion for the Montessori method stems from my love of nurturing young children with joy, kindness, and respect. I earned my Bachelor of Science in Industrial Education, majoring in Mathematics, and completed my 2-year graduate studies in Administration and Supervision. I spent 10 years teaching elementary school in the Philippines. My credentials were formally evaluated by WES New York to be recognized here in the United States. I realized I loved working with little ones and completed my Montessori Teaching Certificate for ages 0-3 through the University of California, Irvine (UCI) at University Montessori of Irvine.
